

Business Calling Plans

Business calling plans start from as little as £2.75 per month for 250 inclusive minutes. ellesys business phone plans offer business call packages and inclusive minutes for local and national calls, landline calls to mobiles and international destinations. Our cheap business phone calls are designed for UK businesses and help to reduce telephone costs. If you are with BT, Virgin or Utility Warehouse it's time to switch and save money.

Inclusive Calls

Our inclusive calls include all calls to 01 and 02 UK local and national numbers. With an unlimited number of calls, no connection charges and no minimum call charges. This is an ideal plan for small businesses to bolt on to basic phone line rental.
